

## Winning September

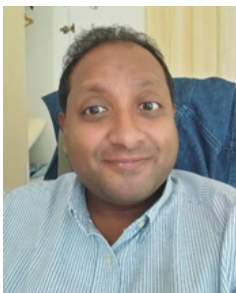

Hey Feng Shui Fam!

Joey's back with his September updates – so let's jump right in.

I have a confession to make – I did not pay close attention to Joey's advice last month – and my son wound up having a freak accident as a result. He is ok but all that running to the emergency ward and pain, could have been avoided if I was just a little more careful. 😞

Definitely going to be more careful moving forward – and you should too. Avoid problems wherever you can (the advice is right below) and set yourself up for winning in September as well.

As always, if you need anything, I am here for you – please feel free to reach out.

Your Friend in Feng Shui!

**Hey Feng Shui Fam, Joey Yap here.**

Welcome to September!

As always, these are my personal notes, shared exclusively with YOU, as part of our **Feng Shui Mastery Circle**. Please refrain from sharing them with anyone else to avoid potential misinterpretations.

### **Trouble Spots Of The Month—**

This month, steer clear of activating these sectors in your home or office:

- **East 2:** The Yin Mansion Grand Duke (陰府太歲), a potent force of Yin energy, can bring emotional turmoil, mental instability, hallucinations, and insomnia. Coupled with the Month Destruction (月破) and Monthly 3 Killings (月三煞), this sector can also exacerbate health issues like kidney problems, urinary issues, and blood disorders.
- **Southwest 2:** The Floating Heaven Emptiness (浮天空亡) can cause significant setbacks in major projects. Think of it as a sudden removal of support or people breaking their promises. Pay special attention to this sector in your office, as it could impact on-going projects and client relationships.
- **West 2:** The Great Sha (大煞), Duke Punishment (歲刑), and Golden God (金神) can bring health setbacks, financial difficulties, and sudden loss of projects. Contractual issues and setbacks are also likely, so make sure you don't overlook this sector

### **Good Vibes Here!—**

- **North 3:** The Military Arts (武曲), River Scholar (河魁), and positive formations here can be beneficial for children's education and anything related to learning.
- **Northeast 2:** The Professor (博士), Literary Arts (文曲), Heavenly Path (天道), and Heavenly Virtue (天德) stars are ideal for studying, mastering new skills, and potentially monetizing your website or gaining popularity.
- **Southeast 1:** The Great Sun (太陽到山), Qi Men Ding Noble (奇门丁貴人), and Astride Constellation (奎) can dispel negative energies, soften the impact of accidentally activating negative Qi, and help with resolving problems.

I am sharing my personal **Quick Monthly Reference** chart for all the sectors, right at the bottom. Good sectors are marked Yellow and bad sectors marked Red.

### **Steer Clear of The Yang Gong Disaster Days —**

Please avoid any Feng Shui activations on these days as any activation done may be nullified. Traditionally, Feng Shui practitioners will also avoid undertaking any Consultations on these dates as well.

- **September 1st:** Those born in the Year of the Dragon, Dog, Tiger, and Rabbit are more highly susceptible to negative impacts.
- **September 29th:** Those born in the Year of the Horse, Goat, and Pig are more likely to suffer negative impacts.

### **Activation Dates**

- **September 7th:** Activate Northeast 2 between 5 PM to 7 PM. This date is particularly auspicious, as it is a Remove Day, which helps mitigate potential problems. Additionally, it aligns with Phoenix Day (鳳凰日), amplifying the positive effects of your affirmations.
- **September 11th:** Activate Northeast 2 between 7 AM to 9 AM, or North 3 between 1 PM and 3 PM. This date is marked by powerful stars such as the Green Dragon (青龍), Orion (參), Duke Reward (歲祿), and Relief God (解神), which can bring significant benefits.
- **September 16th:** Activate North 3 between 9 AM to 11 AM. This date is particularly auspicious for North 3, as it aligns with stars such as Precious Light (寶光), Bow (張) Constellation, Sun Arriving (太陽), Earthly Storage (母倉), Yin Virtue (陰德), and Yang Noble (陽貴人).
- **September 25th:** Activate Southeast 1 between 9 AM and 11 AM. This date is marked by the Brightness (活曜) and Sun Arriving (太陽) stars, which can bring clarity and new opportunities.
- A gentle reminder in case you overlooked my earlier warning - these dates are for **Feng Shui activation only**. Do not use them for other key events like weddings, sales or business launches.

I hope these insights help you navigate September successfully. Share your breakthroughs and results with us!
