My Thoughts

Hi my name is Lia, I'm from Malaysia. My identity palace was very disorganised, dull and uninspiring. No wonder why I always felt unmotivated, my thoughts are all over the place yet I always had a creative block. This is a good start I guess and I can feel it!

Beyond of August, my goal is to build a more focused, abundant, and balanced life over the next 12 months, I want to increase my monthly income by 20% through growing.
