INTRODUCTION TO THE 10 DEITIES

奇門十神

QiMen has ten deities, and the name makes people picture gods. They are not. The ancients had no word for frequency or channel, so they used the word 神 (Shen), and it was translated as deity. What it describes is a frequency: a channel of your subconscious mind.

Every human being carries a spark of the divine, and it arrives as one of ten frequencies. Your birth moment sits you on one of them. That one is your Guardian of Destiny. Basically, it is your channel.

THE TEN FREQUENCIES

符	天	地	陰	合
CHIEF 值符	**NINE HEAVEN** 九天	**NINE EARTH** 九地	**GREAT MOON** 太陰	**SIX HARMONY** 六合
玄	虎	蛇	雀	陳
BLACK TORTOISE 玄武	**WHITE TIGER** 白虎	**SURGING SNAKE** 騰蛇	**RED PHOENIX** 朱雀	**GRAPPLING HOOK** 勾陳

Ten channels, not ten beings. You start with one: the one you were born with.

EVERY DEITY HAS A SUPERPOWER

Each deity reflects a facet of your personal destiny, a mirror of consciousness. In balance, it becomes a source of clarity, confidence and flow. Out of balance, it shows patterns of fear, attachment or resistance: not as punishment, but as guidance.

CHIEF 值符 THE DIVINE EXECUTOR

Helps wishes take shape.
What you can clearly conceive in the mind, the Chief helps move toward reality.

Authority, command and divine execution. The Chief is the unseen force that moves swiftly when clarity is present: assembling circumstances, aligning people and helping bring desires to completion. It is also a protective energy, helping guard against misfortune and unseen interference. Its nature is decisive and disciplined: what is clearly intended gathers momentum.

AUTHORITY · COMMAND · EXECUTION · ORDER · PROTECTION

OUT OF BALANCE When fear governs intention, protection turns into restriction. Progress stalls, opportunities close and life begins to feel paused.

NINE HEAVEN 九天 THE VISIONARY CREATOR

Visualisation. What the mind can see clearly, you can begin to move toward.

Imagination, foresight and the capacity to perceive beyond limitation. Nine Heaven governs the visionary faculty: the ability to dream vividly, anticipate outcomes and give shape to pure thought. It is the energy of inspiration and divine visualisation, helping reveal the patterns, timing and pathways that can lead to fulfilment.

IMAGINATION · FORESIGHT · INSPIRATION · VISUALISATION

OUT OF BALANCE Anxiety is amplified with equal force. The same faculty that envisions success can project failure, letting fear colour every choice.

NINE EARTH 九地 THE KEEPER OF STABILITY

Support for healing, and for accumulating assets.

Grounding, nurturing and sustained growth: creation that builds slowly, deliberately and lastingly. Nine Earth is the energy of healing and tangible abundance, helping strengthen the body, supporting recovery and laying a solid foundation for prosperity. Its strength is patience and consistency, because what grows steadily grows strong.

GROUNDING · HEALING · ABUNDANCE · PATIENCE · SECURITY

OUT OF BALANCE The need to feel safe turns into clinging, accumulation or overindulgence. Stability hardens into resistance to change.

EVERY DEITY HAS A SUPERPOWER

Each frequency carries a specific gift. It sits unawakened until you connect with it.

GREAT MOON 太陰 THE LUMINOUS MIND

A heightened ability to know things.

Intelligence, strategy and intuitive brilliance. Great Moon governs clarity of perception, mental agility and the ability to decode complexity, so understanding deepens and insights connect more easily. It supports faster learning and helps draw solutions from higher awareness, bringing structure to inspiration and intellect to instinct.

INTELLIGENCE | STRATEGY | FAST LEARNING | INSIGHT

OUT OF BALANCE Restlessness is amplified. Information overwhelms instead of enlightening, clarity dissolves into over-analysis, and doubt dilutes every decision.

SIX HARMONY 六合 THE BRIDGE OF CONNECTION

Connection with people. Support in reaching different minds, like-minded individuals, the right people at the right time.

The art of relationship and the flow of collaboration. Six Harmony helps align people, harmonise groups and open pathways to mutual benefit, so cooperation can replace competition. It strengthens networks and partnerships, draws allies, amplifies influence and nurtures success through synergy. Unity can become a catalyst for prosperity.

RELATIONSHIPS | COLLABORATION | NETWORKS | SYNERGY

OUT OF BALANCE Alignment shifts to dependency. Validation is sought outside, boundaries blur, and connection without a centre becomes entanglement.

BLACK TORTOISE 玄武 THE SILENT EMPATH

Insight into the minds of others. Understanding markets, trends and needs.

Depth, empathy and emotional intelligence. Black Tortoise senses unspoken truth and understands the hidden layers beneath behaviour, shaping situations through presence rather than control. It brings emotional stability and guidance through understanding, and leads through awareness: steady, observant and deeply grounded.

EMPATHY | EMOTIONAL INTELLIGENCE | PERCEPTION | SUBTLE INFLUENCE

OUT OF BALANCE Without boundaries it absorbs too much from its surroundings. Compassion turns to exhaustion, and empathy becomes entanglement.

EVERY DEITY HAS A SUPERPOWER

You do not worship the deities. The divine spark is in you: you are activating what you already have.

WHITE TIGER 白虎 THE POWER OF MOMENTUM

Stamina and endurance. Enormous energy and power.

Vitality, willpower and fearless execution. White Tiger is the kinetic energy behind achievement: the strength to endure pressure, overcome resistance and act with conviction, fuelling courage, leadership and determination. Harnessed, it channels raw drive into disciplined movement and helps turn vision into victory.

VITALITY | WILLPOWER | COURAGE | LEADERSHIP | PERSEVERANCE

OUT OF BALANCE Without direction the energy turns volatile. Drive becomes aggression, impatience leads to burnout, and intensity fuels conflict.

SURGING SNAKE 騰蛇 THE INTUITIVE NAVIGATOR

The sorcerer. Reads the environment and helps it work in your favour, and helps you find things.

Instinct and sensitivity. Surging Snake reads energy, timing and motive closely, often sensing the truth before it is revealed, and guides decisions by working with the flow of events toward alignment. This is the intelligence of intuition: responsive, fluid and perceptive, aligning inner knowing with outer opportunity.

INTUITION | TIMING | DISCERNMENT | SENSITIVITY

OUT OF BALANCE Filtered through fear, sensitivity becomes suspicion. Small actions are misread as threats, and overinterpretation creates instability.

THE DEITY IN YOUR CHART

By recognising the deity that governs your chart, you begin to understand how its influence colours your decisions, perceptions and outcomes. That deity is your **Guardian of Destiny**.

EVERY DEITY HAS A SUPERPOWER

When you recognise how each influence moves through you,
in light and in shadow, you begin to reclaim the power to direct it.

RED PHOENIX 朱雀 THE VOICE OF CREATION

The power of the spoken word. Words spoken with conviction carry weight and help shape outcomes.

Communication, eloquence and expressive power. Red Phoenix governs the spoken and unspoken word, where thought finds a voice and a voice carries influence. It enhances teaching, persuasion and storytelling, and a clear declaration can inspire action and ignite transformation. Expression helps shape what follows.

COMMUNICATION | ELOQUENCE | TEACHING | PERSUASION | STORYTELLING

OUT OF BALANCE Negative self-talk, harsh criticism or careless words can carry real consequences. Expression without awareness becomes self-sabotage.

GRAPPLING HOOK 勾陳 THE KEEPER OF MEMORY

Karmic ties and bonds. A sense of connection to past, future and parallel lives: knowledge that feels familiar without learning it.

Grappling Hook connects present consciousness to deeper memory: ancestral, karmic and experiential. It helps retrieve insight from past experience and brings it into present understanding, giving context to emotion and meaning to challenge. When aligned, old patterns can loosen and experience can turn into mastery.

MEMORY | ANCESTRY | INSIGHT | CONTINUITY | MASTERY

OUT OF BALANCE Unresolved memory is pulled into the present. Old emotions surface without explanation, and the past replays until awareness interrupts the loop.

WHY WORK WITH THE TEN DEITIES

To work with the Ten Deities is to understand the energetic language of your own destiny. Awareness helps turn reaction into choice. The goal is not to escape these forces, but to integrate them.
Then destiny no longer simply happens to you: **it unfolds through you.**

FIND YOUR GUARDIAN OF DESTINY

Step one is finding your own frequency. It is your personal QiMen connection, like subscribing to the Wi-Fi: without it, you cannot get online.

Your personal chart in QiMen Oracle One.
Follow the dotted lines to the two rows you need.

01 · PLOT YOUR PERSONAL CHART

This page shows the chart you were born with: the date and time of your birth. It is not a divination chart, so don't worry about everything inside it.

02 · FIND YOUR GUARDIAN

Look at one piece of information:
your Destiny Palace.
Just below it is
your Guardian of Destiny, one of the ten.

03 · NOTE YOUR DIRECTION

Your guardian comes with a direction: your QiMen destiny direction.

PLOT YOUR CHART ON QIMEN ORACLE ONE

Scan the code, enter your date and time of birth, and find your Guardian of Destiny.

CONNECT WITH YOUR GUARDIAN

Once you know your guardian and its direction, you attune to it. A specific time, a specific direction, a specific instruction: this process is called attunement.

THE ATTUNEMENT

01

DIRECTION

Back towards your QiMen destiny direction.

02

TIMING

At the auspicious hours we will send you.

03

COMMAND

Give the command.
A command is an instruction.

THE COMMAND

Guardian of my Destiny,
I activate and empower my connection with you,
and through you, my **connection to the Universe**.

Once you are at the specific time, backing the specific direction and giving the specific instruction, you may notice the connection beginning to establish.

Follow the timing.
Follow the process. Give that command.

Besides asking for your intuition to increase, you can also ask for your guardian's superpower. Every deity has one.

SPECIFIC TIME. SPECIFIC DIRECTION. SPECIFIC INSTRUCTION.

WHAT HAPPENS WHEN YOU CONNECT

Once the connection is established, you may find yourself becoming more intuitive.

IT GROWS SLOWLY

Not overnight. You have never done this before, so it takes time to make the connection and to expand it.

ASK FOR TWO THINGS

For your intuition to increase, and for your guardian's superpower.

IT WEAVES THE READING

Your guardian helps you put the picture and the stories together, and form counsel quickly.

TWO DIFFERENT THINGS

QIMEN DIVINATION

You divine to ask for counsel. The Oracle is the software that plots the chart; you are the receiver.

You ask for counsel.

YOUR GUARDIAN OF DESTINY

You activate a connection with your subconscious, your intuition, so you can divine better.

You form the connection.

WHY THIS MATTERS TO YOU

Intuition is the one job the universe assigned to you, and the one you have never really trained yourself to be good at. You can hire someone to plot your chart. You cannot hire someone to be your receiver. Structure without intuition is mechanical and overly literal; intuition is what turns structure into a living counsel.

Right now you start with one:
the one you were born with.

As you become better at QiMen, you can connect all ten deities. Not actual beings, just ten different frequencies, like different AI agents all working for you at the same time.

YOUR GUARDIAN OF DESTINY IS YOUR CHANNEL.
